Artist Statement

“When I think of art I think of beauty. Beauty is the mystery of life. It is not in the eye, it is in the mind. In our minds there is an awareness of perfection”

Agnes Martin, 1912 – 2004.

Agnes Martin’s quote describes what I am always aiming for: to capture that moment where I am aware of the simplicity and connectedness of all things. I cannot hold on to that time with words so I use colour and shape. I connect them with light and balance hoping that my actions will recreate the experience of joy in my perception of the beauty and perfection the life that surrounds me.
